Dear Woodrow Cummins Family,

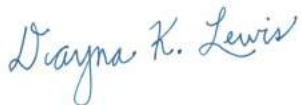

On behalf of the Woodrow Cummins Elementary Staff, let me welcome you to the 2019-2020 school year. We are excited about this year and hope that the feeling is contagious. Woodrow Cummins has a wonderful reputation for academic excellence. You have my personal assurance that our staff is dedicated and more determined than ever to see our goals through, not only this year, but into the future.

Our number one goal each and every day is to maintain the safest possible environment for our students, parents, and staff. There are a couple of things that you can do to help. First, it is extremely important that all visitors sign in at the office and wear a visitor badge, even if you are just dropping in for a minute or walking your child to class. Second, it is imperative that we have up-to-date emergency contact numbers for your child. It is critical that they are available to our office staff.

With the large volume of phone calls each day, it is sometimes hard to get an immediate answer to your questions. Our office staff has designed this Parent Playbook to offer assistance to you. This should provide a quick reference for you in items ranging from our school procedures with traffic, to state mandated regulations.

Thank you once again for the opportunity to work with your child. If I can be of any assistance to you, please contact me at 513-4417, or [lewisd@conwayschools.net](mailto:lewisd@conwayschools.net).

Best regards,

Students should exit their vehicles from the passenger side. Students may be dropped off in the parking lot by the crosswalk in front of the media center. School personnel will walk your child across the street from 7:30-8:00 a.m. If you wish to walk your child to the front door, please park your car **in a parking space** and walk with your child using the crosswalk.

## Birthday Celebrations and Snacks

To be in compliance with Act 1220 and mandates by the State Board of Education, we must celebrate birthdays and special occasions according to the following guidelines.

- We will have birthday snacks for students only **one** time per month. In December and February, birthday snacks will be combined with class parties. This is the **only** time each month when birthday snacks may be served to students.
- Homeroom parents will coordinate with parents of students who have birthdays during the month on what to send for snack day (cookies, juice boxes, napkins, etc.). Snacks are served by classroom teachers.
- Please make other family members and friends aware of this guideline.
- **Please do not bring any products containing peanuts.**
- Food must be prepared in a facility that is approved by the State Department of Health. We are sorry, but we cannot serve homemade snacks to the students.
- Please **do not send** birthday balloons, flowers, etc. to students at school.
- Students may not bring birthday party invitations to school to pass out unless every child or every child of a specific gender in a classroom is invited.
- Also, in response to Act 1220, we are not allowed to sell snacks from a cart or school store. If your child's class has a snack time during the school day, those snacks will have to be brought from home.

We understand that birthdays are an important part of childhood, but these guidelines are state mandated and must be followed. **We are sorry but no exceptions can be made. Please do not ask.**

## Classroom Party Guidelines

There will be two parties per school year: Christmas and Valentine's Day. Parents are welcome to attend these parties.

- In accordance with Act 1220, snacks and refreshments served at parties should include, but do not have to be limited to, nutritious choices such as fresh fruits and vegetables. Additionally, they should **not include any peanut products** due to the danger these present to students in our school who have peanut allergies.
- Christmas and Valentine's Parties will also serve as birthday celebrations for students who have birthdays during the months of December and February.
- Christmas parties are scheduled for Thursday, December 19th. Parents will be asked to provide refreshments prepared in a facility approved by the Health Department.
- Valentine's Day parties are scheduled for Friday, February 14th. Students may not give Valentine's gifts, such as jewelry or boxes of candy, to individual students at school. Anything brought must be shared with the entire class.
- Dates and/or times of parties may change if scheduling conflicts arise during the school year.

Thank you for helping us to exercise a conservative approach to parties and holiday celebrations. We appreciate your cooperation as we try to maintain a fun environment for our students while guarding valuable instructional time and complying with legislative mandates.

# District Rules and Regulations for Elementary Physical Education

## Rules

1. Wear appropriate shoes; no sandals or boots.
2. Wear appropriate clothes for physical education activities.  
If a student wears a dress, they must wear shorts underneath.
3. After three (3) consecutive notes for health related problems from a parent, a doctor's note must be obtained.

## General Information

1. At the beginning of each school year, we will have a two-week grace period. Students will be informed about the day they will have physical education and what clothing to wear.
2. Students will not be allowed to call home for inappropriate PE clothing after the first two weeks.

## **Field Trips and Excursions**

Conway Public Schools recognizes that the first-hand learning experiences provided by field trips are a most effective and worthwhile means of learning. It is the desire of the Conway Board of Education and Conway Public Schools to encourage field trips as an integral part of the program of all of the schools.

Please assist us with the following procedures/policies:

- Students and staff are the only ones permitted to ride our school buses.
- Preschool siblings should not go on field trips or picnics.
- All students must travel to events in transportation provided by Conway Public Schools, unless special arrangements have been made with the school. Even though the absence will not count against them, for legal purposes students must be checked out through the office.
- Students will be permitted to leave a field trip with his/her parent only if signed out at the location. Your child's teacher will have a check-out sheet.
- Parents can only sign out their own child from the field trip. Teachers cannot release children to anyone other than the parent or guardian.
- All student trips, and the arrangement of them, must have the approval of the school principal.
- The school bus safety code adopted by the Board will govern the behavior of students while on the bus.
- Each child who goes on a field trip must have written parent consent.

## Check-In and Check-Out of Students

Students who arrive at school before 7:50 a.m. must go to the cafeteria and stay until a teacher dismisses them. **Students arriving after 8:10 must be signed in at the office by an adult.**

A student is always checked-in or checked-out through the office for his/her protection and to avoid interruptions to the classroom. If your child is tardy or returns to school after being checked-out during the day, he/she should check-in through the office. To limit the amount of adults in the building and classroom disruption, please do not walk your child to their classroom. A child must not leave the campus without being properly checked-out by an adult.

**Your child must have a note from you giving permission for him/her to do anything after school other than his usual routine. (Example: Walk home with a friend if he/she normally rides the bus.)**

## Tardiness and Early Check-out

It is imperative that students arrive at school on time and remain at school throughout the school day. Tardies and early check-out are very disruptive to the education process. **Excessive tardies and/or early check-outs (10 per semester) may result in reporting to juvenile authorities.** Please try to avoid checking out children before the dismissal bell rings, unless there is an emergency.

## PARENTAL ENGAGEMENT PLAN

Woodrow Cummins Elementary School will comply with the parental engagement requirements as outlined in ACT 307, of 2007 and ACT 397 of 2009.

1. In order to encourage communication with parents our school will prepare an Informational Packet to be distributed annually to the parents of each child in the school. These packets will describe: The school's parental involvement program; the recommended role of the parent, student, teacher and school; ways for parents to become involved in the school and their child's education; a survey for the parent regarding their interests concerning volunteering at the school; a schedule of activities planned throughout the school year to encourage parental involvement; and procedures to allow the parents and teachers to communicate in a regular, two-way, and meaningful manner with the child's teacher and principal.
2. To help our parents in assisting their children, our school shall: Schedule regular parental involvement meetings at which parents are given a report on the state of the school and an overview of: A. What students will be learning. B. How students are assessed. C. What parents should expect for their child's education and D. How a parent can assist and make a difference in their child's education.
3. In order to welcome parents our school shall use the volunteer surveys to compile a Volunteer Resource Book listing the interests and availability of volunteers so that school staff may determine how frequently a volunteer would like to participate; including options for those who are available to help at home and help match school needs with volunteer interests.
4. In order to encourage parents to participate as a full partner in the decisions that affect their child and family, our school will include in our school's student handbook the school's process for resolving parental concerns.
5. In order to take advantage of community resources, our school will enable a Parent Teacher Organization that will foster parental and community involvement within the school.
6. The Principal shall designate one certified staff member who is willing to serve as a Parent Facilitator in order to help organize meaningful training for staff and parents; promote and encourage a welcoming atmosphere to foster parental involvement in the school and to undertake efforts to ensure that parental participation is recognized as an asset to the school.
7. We will continue to schedule two parent teacher conferences per school year. These conferences will be widely advertised and scheduled in such a manner that as many parents as possible may visit our campus and interact with their student's faculty.
8. We will provide instruction to parents on how to incorporate developmentally appropriate learning activities in the home environment.
9. We will continue to engage our parents in activities and programs designed to assist them in helping with their children's learning.

10. We will sponsor seminars to inform the parents of students about how to be involved in decisions affecting course selection, career planning and preparation for postsecondary opportunities.

Yes, in accordance with Alex's Law, students may carry inhalers or Epipens with them. Parents must fill out a consent form from the school nurse so that the school has record they have it with them.
3. What do I do if I choose for my child to not receive immunizations required for public school admission?  
If your child does not receive required immunizations for medical, philosophical, or religious reasons you must apply for an immunization exemption for each school year. You can apply by requesting an application from the Arkansas Department of Health via email at [immunization.section@arkansas.gov](mailto:immunization.section@arkansas.gov)
4. What do I do if my child is allergic to certain foods?  
Many children have severe allergies to certain foods. Always include this information on their enrollment forms and please make sure your child's teacher and school nurse are aware of any severe allergies. If your child needs emergent medications, you will need to fill out a Medical Administration Consent form and have your physician complete an Emergency Action Plan. You will also need to get a form from the cafeteria manager for your physician to review and sign.
