

What is Remind?

It is a one-way email and text messaging system that allows you to receive school news while keeping your personal information confidential.

Our school newsletter is prepared on Mondays. We share it by:

- Posting it on the WCE website (access "Newsletters" under the PARENT INFO tab.)
- Posting it on our Facebook page.
- Sending it by text or email to our Remind subscribers.

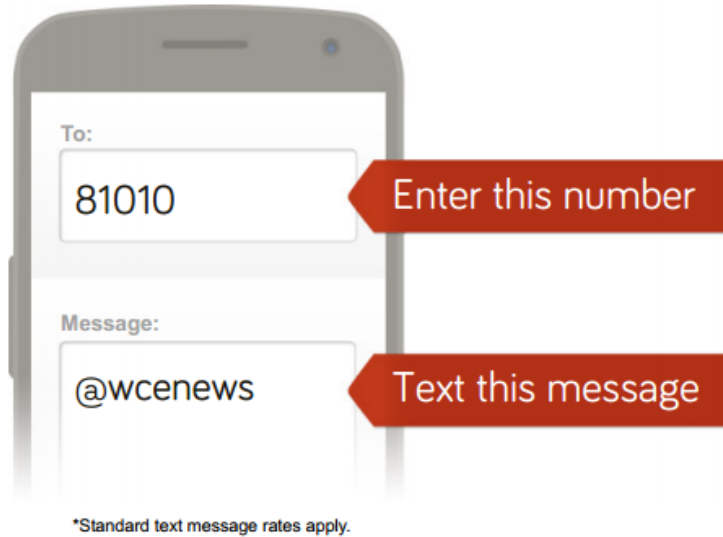

How to sign up by text:

To receive our newsletters by text, you need to text **@wcenews** to **81010**.

If you ever need to opt-out, reply "unsubscribe @wcenews."
