Woodrow Cummins Elementary

Honor ♦ Compassion ♦ Courage

To Whom It May Concern:

To instill a love of physical fitness in our students, the Woodrow Cummins Elementary School has a running club for third and fourth graders. The running club has grown in size every year. This year, we have around 140 students that participate! The students have been training all year for the upcoming 5K race. The race is scheduled for April 27, 2018 during school hours so that all children will be able to participate either as a runner or spectator. This is the 5th annual WCE Mighty Lions 5K and this year is going to be our best year yet!

We have a goal to raise enough money to offset the cost of putting on a race event and provide the runners with goodies that they deserve. Some of the expenses include t-shirts, medals, race bibs, and refreshments. These children work hard to accomplish a challenging and worthy goal and we do not want cost to be any issue for them. By donating to the Woodrow Cummins Running Club, you are helping these children commit to, what we hope, will be a lifetime of health and physical fitness.

Thank you in advance for committing to the future of our children by contributing what you can. However, if you donate at least \$50 you will be a BRONZE sponsor. If you donate \$75, you will be a SILVER sponsor. If you donate \$100, you will be a GOLD sponsor. If you donate \$200 or more, you will be a PREMIUM sponsor. All level sponsors will be recognized in our school newsletter and have their name or business logo on the back of the 5K t-shirts (the highest sponsors will have the largest logos). These shirts will be sold to the entire school. If you are a PREMIUM sponsor, you will also have your company logo printed on a banner to be temporarily placed in front of the school. You can donate by completing this form and returning it to Coach Orahood. Please make your check payable to WCE. We need all donations and sponsor logos by WEDNESDAY, APRIL 11TH if you want your logo on the t-shirts. Your generosity will be put to excellent use now and in the future!

Sincerely,

Sarah-Catherine Orahood (501-626-2139) orahoods@conwayschools.net
