

Woodrow Well Wishers
“Love, Give & Be Sweet”
November 27th - December 15th

The holidays are filled with happiness, friends and family. Children especially look forward to the fun and presents. This year Woodrow Cummins Elementary School would like to bring joy to children, one present at a time, in our school and community. We are asking each grade level to bring new, unwrapped items. You will find a list of each grade levels’ donation request as well as local stores that will have these items at a discounted price on “Black Friday.” Donation bins will be located in the school lobby. Together we can make this Christmas Season a little brighter for all of our children!
